

**POINT**  
Pal

A modular seating system, Pal is constructed from a solid teak platform with upholstered modules set atop. The collection, designed by Francesc Rifé, offers a variety of relaxing compositions including sofa, chair, lounge and bed configurations.

**TRIBU**  
Branch Beach Chair

Designed by Lievore Altherr Molina, the Branch Beach Chair features an ingenious hidden blocking mechanism, leaving the chair's fluid lines uninterrupted and creating the illusion of a floating frame. Available in three colours, the cast aluminium frame is as light as it is strong. Meanwhile, the comfortable sling seat in Batyline has exceptional tear strength and UV resistance, available in 16 weather-resistant fabrics.

**SYWAWA**  
Tahiti

Fresh for 2017, Sywawa has expanded its designer parasol offering with Tahiti. Designed by Mark Gabberas, the parasol is a contemporary reinterpretation of the traditional straw creation, strikingly reminiscent of exotic beaches.

**PEDRALI**  
Nolita

Nolita is a family of outdoor seating comprising a chair and armchair with varying back heights, lounge armchair, stools, chaise longue and tables. Inspired by the brand's roots in metal garden chairs, the collection is available in eight colours including yellow, terracotta and sage green.
